BACKGROUND/SUMMARY/DISCUSSION:

The rezoning (ZC-19-11) and PDD development plan (PDD-19-02) applications scheduled for this agenda were withdrawn after the public hearing notices had been mailed out. Therefore, they must still appear on the agenda, but no action is necessary other than the Mayor announcing that the items have been withdrawn. This is a casualty of the State law limiting the period for approval of plats and plans. Staff conducted our review in a timely manner, but there were a large number of issues to be addressed as a result, including a reconfiguration of the proposed subdivision layout. The original 30-day review period, plus the allowable 30-day extension requested by the applicant, expires on December 23rd. In order to meet that deadline, the applications would have to be considered at this meeting because State law requires the City to approve, approve with modifications, or deny a plat or plan within the maximum 60-day period. When the applicant asked for more time to work on the revised plan, we informed them that the only way to prevent the cases from being denied would be to withdraw the applications and resubmit them at a later date when they were ready. They agreed and withdrew the applications. Once the applications have been resubmitted, including new forms and fees, they will be placed on the earliest possible Planning and Zoning Commission and City Council agendas.

COMMITTEE/BOARD/COMMISSION ACTION:

At their December 11 meeting, the Planning and Zoning Commission the Commission did not vote on a recommendation because the applications had been withdrawn.

STAFF RECOMMENDATION/REQUESTED MOTION: NONE

LIST OF SUPPORTING DOCUMENTS: Letter withdrawing the application.

RE: Heritage Place

Dear Mr. Gibson:

After careful consideration of city staff comments regarding the proposed Heritage Place rezoning from RMD to PDD, Preliminary Plat and Development Plan, Mr. Bobby Schmidt, Lockhart II Partners, the property owners and applicant, has instructed me, in my capacity as Development Consultant, to withdraw the project from Planning and Zoning Committee agenda on December 11, 2019 and from City Council agenda on December 17, 2019 in order to allow adequate time for the consulting team members to prepare the revised documents that address these staff comments.

Accordingly, I respectfully request that you withdraw the Heritage Place project from these agendas.

Please be advised that we will re-apply for PDD re-zoning, and submit revised Preliminary Plat and Development Plan on or before January 1, 2020 in order to be heard by Planning Commission on January 22, 2020 and City Council on February 4, 2020.

Thank you for your assistance in this regard.

 APPROVAL OF BID AWARD OF CONTRACT CONSENSUS OTHER

BACKGROUND/SUMMARY/DISCUSSION: This budget amendment was requested by Mayor White in order to remove the expense line item of \$40,000 in Transfer to Debt Service from the Hotel/Motel Fund and transfer the expense to the Debt Service Fund (300). All expenditures associated with the Certificates of Obligations and General Obligation Refunding regarding the General Fund have allocations are made by the transfer of property taxes. Total Debt Service payments are reported to the Caldwell County Appraisal District in order to calculate the City's debt rate during the Ad valorem tax rate calculation. This budget amendment will reduce the expense of \$40,000 from the Hotel Motel Fund; which should have been reduced when the 2009 GO Refunding was paid in full. The Debt Service Fund will receive an additional \$45,000 revenues over expenditures (due to the final certified tax roll); this budget amendment will increase the expense line item 300-5199-855 to \$332,462 and increase total expenses to \$1,101,843; therefore, making the revenues over expenditures \$5,700.

City of Lockhart

2019-2020 Strategic Priorities

Prepared by:

City of Lockhart

Summary

On February 1 & 2, 2019 the City of Lockhart hosted two half-day planning sessions to develop goals and strategies for the next 2 years. Some of these goal areas were internal, whereas others were external. The following is the process used to reach the conclusions for the plan.

The process began with a preliminary phone meeting between the facilitator and Steve Lewis, City Manager, to go over key issues facing the City, understand the programs and projects underway through the community, and to prepare the agenda and format for the planning retreat.

The first portion of the strategic planning process began on Friday, February 1, 2019 with the City Manager and the City of Lockhart Management Team. The facilitator began by asking the Management Team participants what their expectations for discussion for the day were. She then took the team through a SWOT (Strengths, Weaknesses, Opportunities, & Threats) Analysis. The next group exercise was a brainstorm called Start/Stop/Continue that lists the things that need to begin happening, stop happening, and are mission-critical and must continue regardless of circumstances.

The facilitator then guided the Management Team through 2019-2020 goal and strategy development to recommend to the City Council the following day.

On Saturday, February 2, 2019, the City Council and City Manager convened to review, revise, and establish priorities related to the recommendations generated the day before by the Management Team. Prior to the review, the facilitator asked the City Council to list their expectations for discussion for the day.

The following are the results.

Management Team Expectations for the Day's Discussion Topics

- Facilities improvements
- Facilities maintenance
- How do we give back to those who need extra help?
- Smart land use practices
- Discuss Tourists/Tourism – what is there for kids to do while in town visiting family?

City Council Expectations for the Day's Discussion Topics

- Capitalize on Tourism
- Discuss Wi-Fi
- Capitalize on BBQ Capital of Texas
- Cleaning up of unsightly properties (residential)
- Work in unity today
- Serve our community
- Focus
- To discuss Economic Development targeting technology jobs
- Industrial Park is full – now what?
- Cleaning up of City properties / facilities
- Actually implement our goals
- Discuss the direction of Economic Development
- Think bigger / think change / embrace change
- Develop our identity
- Attractive gateway signage

- Technology infrastructure

SWOT Analysis

The facilitator guided the participants through an analysis of their current Strengths, the current Weaknesses or Challenges they are facing, Opportunities that may come their way in the future, and Threats that are possible to occur in the future. Note that there are no right or wrong answers here and no implication of likelihood. This is simply a brainstorm of the opinions of the participants to get them thinking about goals in the next portion. The Management Team listed their responses first, then the City Council added additional items the following day.

Our city is growing and we have been very fortunate with our parking however, it is a concern especially when you have the bigger and wider trucks that are parked in an area that is for a moderate size car. BW	7	Improve communication between City and Chamber of Commerce	In-House	Chamber	City Staff works together with Chambers on all their events by being a co-sponsor with many in-kind services. Robert Tobias attends their meetings and periodically makes presentations about Economic Development issues.
JC	4	City Facilities	GF	City Bldgs	Budget for roofs and major repairs
JEFF M	5	Refurbish City Hall inside (making it more inviting)	Gen Fund	City Bldgs	Working on it; repairs to ceiling in progress, restrooms to be refurbished and replace signage with more informative directions.
JEFF M	7	Prepare Fire Station 3 (so we can have main station remodeled)	Gen Fund	City Bldgs	New plans will be prepared working with new Chief who has different ideas than the previous Chief
AGS	1	Hire A City Manager. Hire a City Manager that is Well Rounded and Experienced and Will Help our City to Continue to Grow for the right and positive reasons. To hire a City Manager that will allow our Department Heads to Grow and Improve Our Departments with their recommended suggestions not only from our department heads but from our employees. Working Smarter not Harder.	GF	City Manager	I concur. The current City Mgr has rode back of garbage trucks, climbed electrical poles, worked water/sewer/asphalt/concrete projects, and has been a utility collections clerk, and during these experiences learned the value of suggestions for charge that comes from employees in such positions. All department heads/supervisors are encouraged to listen to employees who have constructive ideas that would benefit in performing assigned tasks. City Mgr has also learned there are employees who keep there hands in their pockets and talk while everyone else is working and these are the same ones who are often found to be dishonest in their paperwork, sleep on the job, and have a poor attendance record.
BW	1	More code enforcement of codes directed at unsightly properties	In-House	Code Enforc	Will continue to address as complaints come in and as found during investigation outings.
LW	8	Continue demo of unsafe structures and pursue liens aggressively	GF	Code Enforc	Will continue to address and City Attorney exploring process to recover demolition costs

LW	1	Economic development, creating and retaining jobs, grocery campaign	general fund, LEDC	Econo Devl	Robert Tobias working with several companies now

JEFF M	3	Expand economic development (by helping to spread the word & being more involved)	Gen Fund	Econo Devl	Robert Tobias is involved with the San Marcos Partnership, local chambers, and with downtown businesses on a regular basis. Leads from the Governor's office and the Austin Chamber are also pursued as applicable.
AGS	4	Economic Development: Recruit more businesses especially retail and continue efforts; contact existing and vacant building owners to see if they are willing to work with the City of Lockhart to bring retail businesses and specialty shops, as well as industrial. Purchase buildings and land when on the market for possible new businesses for the city. Art Galleries and Music Venues have increased within our downtown area and though many not appreciate these type of business and or venues, it is good for our downtown and its livelihood. Let's work on getting more of the specialty shops and boutiques in or around the square.	GF	Econo Devl	The problem is that many of the property owners downtown do not have the funds to customize their buildings to support specialty shops which most the time are not willing to spend money on a building. Rob Tobias is exploring ways to address this issue.
JUAN M	1	Pay raise across the board	GF	Employees	Estimated Costs Including Benefits: For each 1% for non-civil service= \$52,000 For each 1% for civil service = \$28,000
AGS	2	All Department Heads to Budget Salary Increases for all City Employees.	GF	Employees	See above
JC	5	Wellness for employees	GF	Employees	City provides good health insurance (\$586 per month each) with wellness plans for employees; many Cities have stopped this benefit and only provide a stipend for insurance.
AGS	9	Employee: Possible additional Employee Holiday Time Off-Alternating System. Even though this has been discussed and the reasons for why it cannot be done, I would like to see a time off alternating system, especially during the holidays. I did appreciate that the city employees were allowed to stay home during our icy, sleet and snow days. The safety of our employees is very important.	GF	Employees	City employees with vacation leave and holiday time are off 23 days a year with pay which is more than a month of work days. The only holidays not given that we found are Columbus Day and Texas Independence Day. Employee safety is very important, however, some employees must come in to make conditions safe for residents and to respond to emergency conditions and that responsibility belongs to each department head who determines based on staff levels and skills time off during holiday times.
AGS	6	Subdivision development to attract more businesses to Lockhart. Increase the number of homes, apartments, housing. Our city is growing with new citizens wanting to make Lockhart their home but due to the number of housing available, they wait and or possibly lose interest.	GF	Housing	6 housing projects in place at different phases. City Manager recommended incentives to builders three years ago which Council approved and during the time it was in place it produced more housing. As a result, more engineering of subdivisions has begun.
JC	1	Infrastructure	GF	Infrastructure	\$400,000 or more yearly needed for streets
LW	2	Infrastructure improvement- uncurbed streets, street rehab	GF	Infrastructure	See above. It will take a major bond issue to address all streets that do not have curbs.
BW	3	Improve Streets (repairs)	In-House	Infrastructure	See above.

AGS	3	Infrastructure: Continue City Infrastructure: Drainage, Street Repairs, Completion of Curbing, Brighter Lighting in Neighborhoods	GF	Infrastructure	For streets please see above. Brighter lighting is always a challenge in a city with so many trees. Lockhart still must comply with Senate Bill 5 which regulates power usage. Several cities have passed an ordinance that does not allow for the planting of trees within 15' of the right of way to improve lighting of streets and reduce tree trimming around power lines.
BW	4	Angled parking for N Main and N Commerce Streets (change during downtown project)	Ja-House	Parking Downtown	Scheduled with downtown improvements. Should also consider making 100 Blocks of N Main and N Commerce one-way and possibly consider other blocks downtown especially north/south streets.
AGS	10	Parking around and surrounding the square. Issues with larger vehicles parked in areas that are narrow and that make it hard to see oncoming traffic. Our city is growing and we have been very fortunate with our parking however, it is a concern especially when you have the bigger and wider trucks that are parked in an area that is for a moderate size car. It becomes a hazard and a blind spot when trying to reverse out of the parking space and a blind spot for any and all pedestrians.	GF	Parking Downtown	Scheduled with downtown improvements

LW	3	Park improvements - consider medium to long range Town branch development	GF	Parks	Bond issue needed
KM	4	Develop a dog park as part of the Stueve Lane Monte Vista Tract (PARKS/ANIMAL SHELTER/PUBLIC HEALTH)	General Fund/Parks & Rec	Parks	Estimate on this property is \$ 25000 using used fencing. Maintenance and insurance are also cost factors
AGS	8	Parks Improvements: Purchase and update the park equipment to provide safe and fun filled parks for all to use.	GF	Parks	Master Plan near complete
JUAN M	3	Start Planning for 2040 plan	GF	Planning	Needs to be done

LW	4	Continued Police Community committee involvement, neighborhood watch, gang awareness	GF	Police	See above
JEFF M	4	Work with Police Department to bring back drug enforcement program	Gen Fund	Police	See above

AGS	5	Police Task Force: Budget extra funds for a Police Task Force, a Narcotics Officer and a Mental Health Officer to address any drug and gang related problems and mental issues our city is being faced not only on the East side of our city but citywide. Budget for updated training for our police officers. There is a lot of training that is free but a lot additional money for registration fees and course material. I am grateful that the Police Department did invest in our Drug Dog and is being utilized by the school as well.	GF	Police	Chief Pedraza reports that Lockhart has two certified mental health officers, and he feels there is sufficient funding for training. He also reports that a new Narcotics Officer would cost about \$90,000 for salary/benefits, training, a vehicle, and all required equipment.

AGS	7	More Events to Attract Tourism in Lockhart and Include Way Finding Signage (Hotels and Restaurants). Added events, especially the events that are free to the public do very well for the city as well as for the businesses and tourism. JUAN M	4	Create a Good Neighbor program (Lockhart Utility Customers can add an additional amount to utility bill to help others)	GF	Utility Customers	Have pursued this in the past. Lockhart City Council
FY 16-17 Goals
Revised 3-10-2016, 8:30 pm

Priority	Council Person	Goals Submitted	City Manager Comments
1	Castillo	Infrastructure	Complete 2015 CO projects and need budget of \$250,000 per year for streets, continue water and sewer main replacements; continue electric distribution maintenance plan-get new substation on line. Replace bad water raw water mains and find additional water for the future.
1	Gonzales-Sanchez	Department Heads to Budget Salary Increases for city employees so that we can keep our current city employees.	Est Cost Per % Increase Annually: Gen Fund (Not Civil Serv) \$ 29,000; Gen Fund Civil Serv \$ 24,000; Other/Utilities: \$ 15,000- Add'l
1	Hilburn	Improve City Cemetery with GF Expiring debt saving and/or Cemetery Tax	Cemetery Tax up to 5 cents allowed by State Law. Expiring GF debt committed to Police and Fire increased pay rates. (\$132,000)
1	Mendoza	Find ways to use activity center for multi-purpose use. (basketball, volleyball). Funding source: Different companies in town	If approved by Council staff would approach local businesses
1	Michelson	Continue to improve infrastructure (drainage, street repairs) throughout the city	Complete 2015 CO and budget \$250,000 per year for street materials
1	Westmoreland	Enforce ordinances that pertain to unsightly properties all over town. Make homeowners/residents (because some may be renters) take pride in their environment. It is an eyesore to drive around town and see overgrown properties, junked cars, and stacks of trash on porches, in yards and driveways. All levels of socio-economic residents in this town have shown evidence of being disrespectful to their environment.	City has no esthetics ordinance currently. The term "unsightly" is subjective and is difficult to prove in court.
1	White	Economic Development-expanding budget to get staff qualified to help Sandra with recruitment, working with LEDC to either build Spec building or invest in more property, Main St program to relieve Sandra of a lot of those duties	Main Street Program would require another person and funding to work with local businesses while Economic Development would concentrate on new businesses and new jobs
2	Castillo	Economic Development	Need 12-15,000 sf of retail spaces with reasonable lease per sf and buildings that are 20 to 50,000 sf for industrial and manufacturing
2	Gonzales-Sanchez	Infrastructure: Continue City Infrastructure: Drainage, Street Repairs, Completion of Curbing, Brighter Lighting in Neighborhoods	Complete 2015 CO projects and need budget of \$250,000 per year for streets, continue water and sewer main replacements; continue electric distribution maintenance plan-get new substation on line. Replace bad water raw water mains and find additional water for the future. Most streets that lack curbing will need to be totally reconstructed. Brighter LED lights being experimented with since costs have come down.
2	Hilburn	Implement City Signage	Initial required funds up to \$40,000 if City Crew does the work; total cost could be more than \$70,000
2	Mendoza	New Park equipment. Funding Source: Each Councilmember responsible for a park and finding funding sources	Estimate: \$ 400,000 annually over next 4 years based on input from Parks Board Advisory Board
2	Michelson	Continue to improve ways to attract businesses to Lockhart	Need more 12-15,000 sf of retail spaces with reasonable lease per sf and buildings that are 20 to 50,000 sf for industrial and manufacturing
2	Westmoreland	Create a policy for the residency of future administrative positions to live within the Lockhart city limits. If an administrator wants to be employed by the City of Lockhart, they need to reside here. Sharing in the daily lives of our citizens seems crucial to making decisions about Lockhart. They are paid by city taxes.	It is not legal to require all department heads to live in the City limits; only the City Manager is required to do so. All non-24 emergency response employees must live within 25 minutes of City Limits
2	White	Continue street rehab	Need \$ 250,000 annually minimum for street work materials
3	Castillo	City Facilities	Not sure what this includes; can assess all departments for physical needs
3	Gonzales-Sanchez	Economic Development: Recruit more businesses especially retail and continue efforts ; contact existing and vacant bldg owners to see if they are willing to work with City to bring these small retail businesses, as well as industrial; possibly purchasing two downtown county buildings when on the market for possible new businesses in the downtown area. Stronger platform with LEDC with methods to sell Lockhart and attract businesses.	LEDC could fund another report but the company says our numbers still should be good. Costs estimated \$22,500 for updating data and recruitment. Prime softgood companies constantly want to be on Highway 183 in 12-15,000 sf and at a reasonable cost per sf plus higher traffic counts.

Lockhart City Council
FY 16-17 Goals
Revised 3-10-2016, 8:30 pm

Priority	Council Person	Goals Submitted	City Manager Comments
3	Hilburn	Continue improving city streets: Increase Transportation Fund	Current transportation monthly rate is \$ 4 for residential and others; \$260,000 annual which helps fund labor and equipment, but is not sufficient for materials. Another \$250,000 for materials is needed annually.
3	Mendoza	Wi-Fi Free Zones Downtown Square. Funding source City Budget, School District, Downtown sponsors	Rough estimate is about \$12,000
3	Michelson	Refurbish City Hall	If atrium removed, add more offices estimated at \$45,000 and more outside landscaping estimated at \$ 5,000; elevator going in with improvements to restrooms and offices
3	Westmoreland	Approach interested and future businesses cordially. Stringent ordinances (and the way they are approached), scare off some businesses. Let's be friendly in a positive way.	City Mgr respectfully requests names of such businesses. He has met with 18 business representatives over past 15 months that were looking at Lockhart but did not come. Except for the non-residential exterior building esthetics ordinance, none of them indicated a problem with the current ordinances or with staff. The main problems were high land prices and the lack of "ready built retail and industrial buildings", and traffic counts were not high enough. Most thought the impact fee schedules were very reasonable compared to other cities. Will continue to work toward friendlier customer service with simplified ordinances.
3	White	Park master plan to consider park bond issue, recreation dept and staff issues	Master Plan estimate: \$ 45,000, recreation dept est at least \$ 60,000 for a recreational professional with another \$30,000 for equipment and materials
4	Castillo	Employees Wages	Est Cost Per % Increase Annually: Gen Fund (Not Civil Serv) \$ 29,000; Gen Fund Civil Serv \$ 24,000; Other/Utilities: \$ 15,000- Add'l Cost FY 16-17 due to Civil Serv Pay Plan Expansions already approved: \$ 132,000
4	Gonzales-Sanchez	Police Task Force: Budget extra funds to bring back a much needed Police Task Force to address any drug and gang related problems this city is being faced with especially on the East side of our city. Possibly ask the County to assist with funding.	Initial required funds up to \$40,000 if City Crew does the work; total cost could be more than \$70,000
4	Hilburn	Continue working on bringing industry to Lockhart: Continue supporting Ms. Mauldin	LEDC is will have sufficient funding to be more aggressive starting FY 16-17
4	Mendoza	Training Start up: Neighborhood Watch Training and Program: Police Budget	Have tried Neighborhood Watch Program in past but was not sustained because of lack of participation. Willing to try again.
4	Michelson	Improve signage on HWY 183 as well as SH130 = directing people to Lockhart	Possibly use of some of the KTB grant money
4	Westmoreland	Evaluate and/or change the degree of the angled parking along the 4 blocks off of the square. This would be: Main Street from Market to Prairie Lea Street; Main Street from San Antonio Street to Walnut Street; Commerce Street from Market Street to Prairie Lea Street, and Commerce Street from San Antonio Street to Walnut Street. These parking spaces were made before long vehicles were made! If there are cars parked on both sides of the streets, only one car can pass through at a time. Then it becomes a one lane street. I have witnessed a different angled parking arrangement, and it provides more room and is much safer for the drivers and pedestrians.	Estimate to black out existing thermoplastic markings, redefine layout, and apply new thermoplastic markings with angle parking = \$ 12,000; will probably lose 4 spaces per block. 2 on each side
4	White	Branding and wayfinding—may be included in #1	Initial required funds up to \$40,000 if City Crew does the work; total cost could be more than \$70,000
5	Castillo	Parks	Estimate: \$ 400,000 annually over next 4 years based on input from Parks Board Advisory Board
5	Gonzales-Sanchez	Subdivision development to attract more businesses to Lockhart	Working with 6 more subdivisions, either new or expanding, and possibly one more very large one northwest.
5	Hilburn	Improve tourism in Lockhart - City Council continue to work with and encourage Chambers of Commerce to be more involved	Council can make this directive to Chambers when dividing out HOT funds
5	Mendoza	Finding more funding for Retail Market Study. Zip code demographics with reports. Funding LEDC	LEDC could fund another report but the company says our numbers still should be good. Costs estimated \$22,500 for updating data and recruitment.

Lockhart City Council
FY 16-17 Goals
Revised 3-10-2016, 8:30 pm

Priority	Council Person	Goals Submitted	City Manager Comments
5	Michelson	Work with LEDC or someone equivalent to build a building to help attract business	Need more 12-15,000 sf of retail spaces with reasonable lease per sf. Most softgood retailers want 12-15,000 on Hwy 183 at a reasonable price and increased traffic volumes
5	White	Sidewalks to include lighting	Funding required; for example San Jacinto to Jr High estimate is \$130,000 just for materials along Maple walkway
6	Gonzales-Sanchez	More Events to Attract Tourism in Lockhart and Include Way Finding Signage (Hotels and Restaurants)	Initial required funds up to \$40,000 if City Crew does the work; total cost could be more than \$70,000. Chambers could use HOT for more tourism.
6	Michelson	Continue to work on City Park improvements	Estimate: \$ 400,000 annually over next 4 years based on input from Parks Board Advisory Board
6	White	Pursue possible ESD-EMS district	Legal issue with participation by County and City of Luling preferable
7	Gonzales-Sanchez	Parks Improvemens: Purchase more park equipment to provide safe and fun filled parks for all to use.	Estimate: \$ 400,000 annually over next 4 years based on input from Parks Board Advisory Board
7	Mendoza	Start Talks With YMCA Austin again. Seek sponsors funding if necessary	Our population hurt in previous discussions, Will pursue again. They usually want commitment for a minimum number of individuals and families depending on population of not only City but its metro area
7	Michelson	Work on building a civic center/ recreation center	\$ 9 million plus land \$ 2.5 million for about 20,000 sf plus about \$240,000 annual maintenance costs and minimum of \$60,000 for utilities; estimated revenues offset is about \$60,000; take out recreation center and cost go down about 20%. It has been reported that Bastrop is spending over \$500,000 per year to operate its civic center. Revenues not covering costs.
7	White	Cemetery maintenance	Cemetery Tax up to 5 cents allowed by State Law
8	Gonzales-Sanchez	City Hall: Refurbish with Improvements and/or Upgrades	Elevator and improvements to restrooms planned; better offices for Connie and Sandra planned also.
9	Gonzales-Sanchez	Convention Center	\$ 9 million plus land \$ 2.5 million for about 20,000 sf plus about \$240,000 annual maintenance costs and minimum of \$60,000 for utilities; estimated revenues offset is about \$60,000; take out recreation center and cost go down about 20%. It has been reported that Bastrop is spending over \$500,000 per year to operate its civic center. Revenues not covering costs.
10	Gonzales-Sanchez	Employee: Possible additional Employee Holiday Time off-Alternating system	City employees now have 12 holidays and 1 personal holiday; time off is granted by seniority with department head responsible for keeping sufficient personnel to serve the public needs. Employees also receive at least 2 weeks of vacation time. Those employees required to work on holidays receive their normal pay plus holiday pay.
