## PLAN CHECKING FEES

When the valuation of the proposed construction exceeds \$1,000.00 and a plan is required to be submitted, a plan checking fee shall be paid to the Building Official at the time of submitting plans and specifications for checking. Said plan checking fee shall be equal to one-half of the building permit fee. Such plan is in addition to the building permit fee.

## PERMIT RENEWAL FEES

\$10.00 for each successive full six (6) month renewal period, up to a maximum of two (2) renewals.

## STREET/SECURITY LIGHT INSTALLATION COST:

- (a) 100 Watt \$102.00  
(cost of setting pole additional)
- (b) 200 Watt \$199.00  
(cost of setting pole additional)
- (c) Customers may pay the installation costs up to three (3) installments, to be added to the monthly utility bill. The customer must request and sign an installment letter to be provided by the utilities department.

## PENALTIES

Where work for which a permit is required by this Code is started or proceeded prior to obtaining said permit, the fees herein specified shall be doubled, but the payment of such double fee shall not relieve any persons from fully complying with the requirements of this Code in the execution of the work nor from any other penalties prescribed herein.
