Residential city-wide clean-up postponed

Due to the situation involving the COVID-19 pandemic in Central Texas, the residential city-wide clean-up effort has been postponed.

Picking up and moving bulky items by hand is essential to the nature of the city-wide clean-up, and unknowingly touching surfaces previously touched by an infected person can lead to new cases of COVID-19.

Postponing the event, which is sponsored by the City of Lockhart and Central Texas Refuse, is in the public's best interest. A new date has not yet been set.

At this time, residential utilities customers who were planning on participating in the residential clean-up are asked not to place any items at their property line for pickup.

Residents in need of bulk item collection may call Central Texas Refuse at 1-800-664-2833.
