

City of Lockhart, Texas

JOB DESCRIPTION

To perform this job successfully, an individual must be able to perform the essential job functions satisfactorily. Reasonable accommodations may be made to enable individuals with disabilities to perform the primary job functions herein described. Since every duty associated with this position may not be described herein, employees may be required to perform duties not specifically spelled out in the job description, but which may be reasonably considered to be incidental in the performing of their duties just as though they were actually written out in this job description.

Water/Wastewater System Operator

Department: Water, Wastewater

Pay Grade: 103

FLSA Status: Non-Exempt

JOB SUMMARY

The Water/Wastewater Operator installs and maintains water and wastewater utility system lines, lift stations, and equipment for the City. An incumbent in this position also installs fire hydrants, changes water meters, and unclogs sewer lines.

ESSENTIAL JOB FUNCTIONS

- Locates water and sewer lines.
- Checks and maintains lift stations.
- Install and repair water and wastewater lines.
- Installs water taps by digging trenches/holes or assisting heavy equipment operator to excavate; places shut off, install tapping saddles and drills hole; cuts and finishes off pipe; and backfills over pipe.
- Install and repair wastewater taps.
- Replaces or installs water meters by digging out old meters; moving dirt, debris, or rocks; replaces or installs meter; and backfills dirt.
- Operates TV camera in sewer main and service lines as needed.
- Unclogs sewers; uncovers pipes, couplings, and connections; pushes hand rods into main line to find break or clog; repairs pipe; fixes/repairs leaks on main or service lines; and backfills over pipe.
- Lays black base on roads when done with related repairs.
- Repairs and replaces manholes, valves, and electrical, pumping equipment; which may require jackhammering and concrete repairs.
- Flushes dead end fire hydrants; installs new fire hydrants; and checks for low water pressure.
- Installs backflow preventers.
- Trims trees and cuts grass around fire hydrants, lift stations and other facilities.
- Loads and unloads truck with materials such as pipes, valves, fire hydrants, tools and backfill materials.
- Cleans equipment and tools at shop.
- Drives to/from shop and job sites.
- Performs other related duties as assigned.

QUALIFICATIONS

Education and Experience:

Requires High School diploma or equivalent; two (2) years of related work experience preferred.

Licenses or Certifications:

- Class I Wastewater Operator License and Class D Water Operator License from Texas Commission on Environmental Quality (or obtain within 18 months of hire).

Special Requirements:

- Possess a valid Texas driver's license, Class "C", and have a good driving record.
- Have recent Hepatitis A, Hepatitis B, and Tetanus vaccinations (or obtain within six (6) months of hire) and maintain during employment in this area.
- Ability to maintain regular, reliable in-person attendance.
- Available to work on-call after hours, weekends, and holidays as scheduled.
- Must reside within 25 minutes of Lockhart City Limits or service area to respond to emergencies.

Knowledge, Skills and Abilities:

- Knowledge of plumbing and mechanics.
- Knowledge of safety rules and regulations related to job.
- Skill in reading work orders and labels on equipment and supplies.
- Skill in using equipment and tools used on the job.
- Skill in measuring pipes to specified lengths.
- Ability to complete logs of work done.
- Ability to follow written and verbal instructions.
- Ability to work with others to complete job tasks.
- Ability to treat the public in a courteous manner.
